

Augustus Martin is one of the UK's largest producers of printed point-of-purchase (POP), and outdoor advertising material. It operates from its modern headquarters in London's Docklands area.

The company acknowledges that its operations have an environmental impact and is committed to minimising the impact of its activities on the environment

The key points to achieve this are:-

- Meet or exceed all environmental legislation
- Minimise waste by evaluating its operations and ensuring they are as efficient as possible
- Actively promote recycling both internally and amongst its customers and suppliers
- Source and promote a product range to minimise the environmental impact of both production and distribution
- Purchase paper from well managed forests in accordance with the rules of the Forest Stewardship Council® and Programme for the Endorsement of Forest Certification schemes
- FSC® Chain of Custody Certification FSC-C006899
- PEFC Chain of Custody Certification PEFC/16-33-913
- Reduce the consumption of fuel water

The environmental performance will be reviewed periodically at a senior level in the company.

The Policy and its implications will be communicated to all those who contribute to the company's environmental performance and to the general public.

This Policy will be revised when:-

- There are major changes in the size and nature of the business
- Changes in relevant legislation
- Following any significant environmental incident or near miss
- To ensure that the policy remains up to date, it will be reviewed annually.
